

Good evening! You've just been BOO'ed!

Since this is the time for goblins and bats,
For Halloween spirits, for ghosts and cats,
For weird happenings and witches' brew,
These are the things that I wish for you...

May the only spirit you chance to meet
Be the spirit of love and friends warm and sweet.

May the only goblin that comes your way
Be this Neighborhood Phantom you must give away.

"Tis much better to give than to receive" goes the old verse
And something this easy won't empty your purse.

It's your turn to pass along a treat and a BOO
Because now the Neighborhood Phantom is little old YOU!

So by this time tomorrow, pick three friends sweet,
And give to them each a Halloween treat.

You have only one day - so you'll need to hurry -
Leave a treat on the doorstep, ring the bell and then scurry!

Signed,

THE PHANTOM

Now these are the things you will need to do:

1. Make three copies of this letter and a phantom ghost for each.
2. Post the phantom on your door or in your window until Halloween. This will ward off the phantom from returning to haunt you and yours.
3. Then take a letter, a phantom and treat and deliver them to three houses that do not have a phantom posted.
